

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION 10
1200 Sixth Avenue, Suite 900
Seattle, Washington 98101-3140

Region 10
PLACE HOLDER DOCUMENT

FOIA Case Number: EPA-R1-2020-001897

Description: The details of the test results, submitted evidence, proposed response plans and correspondence between the EPA (or EPA representatives) and the school (or school representatives), including expanded documentation of the hazard reports and investigations for the schools listed in the EPA provided summary to Senator Markey's Office in 2016, noting 286 potential PCB hazards in 20 states. The data attached to Senator Markey's report is attached for reference. Senator Markey's report is also attached for reference. I also request this information for any new cases that the EPA--- either headquarters or any of the regional offices--- has become aware of since data was prevented to Senator Markey, including all new cases from 2016 to December 2019

Responsive records provided by the coordinating region, Region 10, of previously released records to the public under the FOIA Case Number(s) listed below:

EPA-R10-2017-011078

Copies of all emails, letters, or other communications; all notes whether in paper or electronic form; all records, test results, reports, or studies; all photographs; and all other documents related to Sky Valley Education Center, also known as the old Monroe Middle School buildings, in Monroe, Washington

EPA-R10-2020-001726

- Any and all documents that concern, refer, or relate in any way to any investigation and inspection of Sky Valley Education Center (SVEC) from 2015 to present by the Environmental Protection Agency, including but not limited to notes, photographs, test results, or any other record of the investigation or inspection, findings of the investigation and inspection, and recommendations issued based upon the findings.
- Any and all documents that concern, refer, or relate in any way to any communications of any member, agent, employee contractor or any other person affiliated with the Environmental Protection Agency regarding the investigation and inspection of SVEC from 2015 to present, specifically including but not limited to communications, meeting notes, or proposals.

- Any and all communications with the law firm of Friedman Rubin or any of its attorneys, representative or employees regarding any environmental condition at SVEC or any investigation or inspection of SVEC from 2015 to present.

Type the case number in the search box in the upper right-hand corner of FOIAonline's home page. Click on the Tracking Number link, scroll down to the section titled 'Released Records' then select the file(s) you want to download.
